## 1. INTRODUCTION

The Client has its head office in Port Elizabeth, and administers the district known as the Cacadu District in the Eastern Cape Province. In terms of the Client's business model, it regards its core function as support and capacity building targeted at local municipalities in its area.

This contract governs the activities of the Service Provider in assisting the client to successfully implement the project:

## 2. APPOINTMENT OF THE SERVICE PROVIDER

The client appoints the Service Provider for the purpose of implementing the project and the Service Provider shall act as an independent contractor, and has no authority to enter into agreements binding the client.

The Service Provider accepts the appointment on the terms and conditions as stated herein.

## 3. SERVICE REQUIRED

This section forms an integral part of the Project Specifications. The purpose of this section is to provide the service provider with more information on the nature and extent of the Contract. It is not the intention of this Section to provide a full description of all tasks, functions and requirements and any omissions or ambiguities in this section shall not relieve the Contractor of any of his/her obligations under the Contract. Where minimum requirements are expressly specified in this section, such requirements shall however be binding on the Contractor.

The service provider is required to recover VAT amounting to R21, 9 million (on behalf of the Client), which is being withheld by National Treasury.

## 4. THE PROJECT WORKPLAN

**The Work Plan:** A Service Provider is required to submit a work plan detailing their approach and time frames regarding the Project.

## 5. THE IMPLEMENTATION FUNDS

### The Total Project Cost and Budget:

The total project cost is 1.13% of recovery from National Treasury (incl. VAT). This fixed bid amount includes disbursements and the cost of traveling and accommodation.

### The Payment of Claims:

The Client, upon approval, will administer the payment of claims at the conclusion of the project and payment will be made once the amount has been received by the Client from National Treasury.

## 6. PROJECT TEAM

The Service Provider undertakes that the Project Team will consist of persons qualified, competent and experienced in terms of the nature of the work described in this project.

## 7. PROJECT STEERING COMMITTEE & REPORTING

The project will be managed by a project steering committee consisting of the CFO Manager finance and the representative from OMA Chartered Accountants.

### **Meetings:**

The Service Provider is required to attend meetings of the Project Steering Committee, and the Service Provider has made provision in its project budget for this activity:

- One meeting, at the inception of the project, at the premises of the Client;
- One meeting, at the completion and/or finalization of the project;
- Additional meetings with the client, if required due to problems being experienced with the project.

The agenda of the meeting will in general be as follows:

- Report-back on actions required in the minutes of the previous meeting;
- Progress report by the Service Provider
  - Activity report
  - Budget/expenditure report
  - Submission of project plan;
- Problems being experienced by the Service Provider, if any;
- Problems being experienced by the Client, if any;
- Approval of Service Provider claims by the Client; and
- General.

All progress reports must be in writing, and must be submitted to the steering committee 7 days before the date of the meeting for inclusion in the agenda. An
